Region 12 Public Comment Guidelines

The Region 12 Board of Education values the input of our community. The public comment portion allows stakeholders to bring comments and perspectives on agenda topics to the attention of the board.

The Board of Education respectfully ask that the public adhere to the following protocol during public comment to make this time efficient.

1. Speakers must approach the podium and microphone and state their name and the town in which they reside for the record.
2. Each member of the public may speak one time and for a maximum of three minutes. Each speaker will be timed and must conclude comments when that time is up.
3. You may not “borrow” time from another person under any circumstances.
4. The purpose of public comment is to hear various perspectives from our community. It is not a two-way dialogue. Board members will not answer questions or directly respond to your statement. Please do not take this as a personal affront as it is protocol.

Board meetings are videotaped and aired on the Region 12 YouTube channel and public access channel 194.

In lieu of speaking at a board meeting, letters and emails can always be sent to the Board members to express your feelings on any topic. Visit www.region-12.org to find addresses.
